Hold 'N View II Accessory Units

The convenient Hold 'N View II Accessory Unit extends the width of the Hold 'N View II Copyholder, allowing it to handle extrathick side-bound books. The Accessory Unit is available in 8" or 12" widths, providing flexibility in the classroom. The Accessory Unit cannot be used alone. It must be attached to the Hold 'N View II Copyholder or the Adapter Unit.

Hold 'N View 8" Package.....\$21.00 ^{REDUCED} \$20.00

Hold 'N View 12" Package.....\$22.00 ^{REDUCED} \$21.00

Package includes 8" or 12" accessory unit and Hold 'N View II.

Adapter.....\$8.00

The Adapter turns the Accessory Unit into a freestanding copyholder for side-bound books. The Adapter locks onto either the 8" or 12" Accessory Unit, creating a copyholder for everything from single sheets of paper to 1,000 page texts (not appropriate for top-bound books). The Adapter cannot be used by itself—it must be used with the Accessory Unit

Yellow Line-Guide...\$1.75

Line-Guide is designed to attach to the back cover of the Top-Bound or Side-Bound text books. Line-Guide is yellow transparency and helps prevent students from losing their place on the page.
